# Meet our **Founder & Lead Admitted Attorney**

---

I am an Admitted Attorney of the High Court with 8 years of experience in both private practice and public service. My legal journey began at SA Telelo Attorneys Inc., where I served as a candidate attorney and later as a professional assistant. I further honed my expertise in the public sector, spending six years as a Legal Advisor for the Department of Public Service and Administration (DPSA).

Most recently, I held the position of Associate at Ntozake Attorneys, where I continued to provide exceptional legal services. My diverse experience across sectors has equipped me with the skills and knowledge to deliver effective legal solutions tailored to my clients' needs.

One of my most notable achievements at DPSA was leading the drafting and processing of key legislative and regulatory frameworks, including the Public Administration Management Amendment Bill and the Public Service Amendment Bill, both currently before Parliament. I also spearheaded the development of the Public Administration Management Regulations on ethics, integrity, financial disclosures, and anti-corruption measures. These initiatives aim to combat corruption and enhance accountability within public administration.

Additionally, I contributed to the implementation of the Public Administration Management Regulations on the Office of Standards and Compliance and collaborated with the Organisation for Economic Co-operation and Development (OECD) on anti-bribery conventions and other policies to improve governance and socio-economic outcomes.
